## **Independent Accountant's Review Report**

To the Members of the Board  
Kids-N-Hope  
Philadelphia, Pennsylvania

We have reviewed the accompanying financial statement of Kids-N-Hope, which comprises the statement of cash receipts and disbursements as of and for the years ended December 31, 2016 and 2015, and the related notes to the financial statement. A review includes primarily applying analytical procedures to management's financial data and making inquiries of organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the cash basis of accounting, as described in Note 2 to the financial statement; this includes determining that the basis of accounting Kids-N-Hope uses is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

### **Accountant's Responsibility**

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statement for it to be in accordance with the cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### **Accountant's Conclusion**

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statement in order for it to be in conformity with the cash basis of accounting as described in Note 2 to the financial statement.

## **Basis of Accounting**

We draw attention to Note 2 of the financial statement, which describes the basis of accounting. The financial statement is prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

### **Note 1 - Nature of Activity**

Kids-N-Hope (the Organization) is dedicated to seeking individual and corporate bequests, mainly through special events, in order to primarily support donations to the Children's Seashore House. The Children's Seashore House is a hospital providing specialized care and rehabilitation to children with developmental disabilities and chronic illnesses.

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

### **Note 2 - Summary of the Significant Accounting Policies**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statement follows:

#### **Basis of Accounting**

The Organization's accounts are maintained on the cash basis, and the statement of cash receipts and disbursements reflects only cash received and cash disbursed. Therefore, receivables, payables, inventories, long-lived assets, accrued income and expenses, and amortization and depreciation, which would be recognized under accounting principles generally accepted in the United States of America and which may be material in amount, are not recognized in the accompanying financial statement.

#### **Cash**

Cash consists of cash held in checking and savings accounts reduced by checks issued that have not cleared as of December 31. Management believes the Organization is not exposed to any significant credit risk on cash.

### **Note 3 - Income Taxes**

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization, including whether the entity is exempt from income taxes. Management evaluated the tax positions taken and concluded that the Organization had taken no uncertain tax positions that require recognition or disclosure in the financial statement. Therefore, no provision or liability for income taxes has been included in the financial statement. With few exceptions, the Organization is no longer subject to income tax examinations by the U.S. Federal, state or local tax authorities for years before December 31, 2013.
