### **Note 1 - Nature of Activity**

Kids N Hope Foundation, Inc. (the Organization) is dedicated to seeking individual and corporate bequests, mainly through special events, in order to primarily support donations to hospitals providing specialized care and rehabilitation to children with developmental disabilities and chronic illnesses. The Children's Hospital of Philadelphia is a hospital that has received the majority of donations.

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

### **Note 2 - Summary of the Significant Accounting Policies**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statement follows:

#### **Basis of Accounting**

The Organization's accounts are maintained on the cash basis, and the statement of revenues collected without donor restrictions and expenses paid reflects only cash received and cash disbursed. Therefore, receivables, payables, inventories, long-lived assets, accrued income and expenses, and amortization and depreciation, which would be recognized under accounting principles generally accepted in the United States of America and which may be material in amount, are not recognized in the accompanying financial statement.

#### **Cash**

Cash consists of cash held in checking and savings accounts reduced by checks issued that have not cleared as of December 31. Management believes the Organization is not exposed to any significant credit risk on cash.

### **Note 3 - Income Taxes**

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization, including whether the entity is exempt from income taxes. Management evaluated the tax positions taken and concluded that the Organization had taken no uncertain tax positions that require recognition or disclosure in the financial statement. Therefore, no provision or liability for income taxes has been included in the financial statement. With few exceptions, the Organization is no longer subject to income tax examinations by the U.S. Federal, state, or local tax authorities for years before December 31, 2015.
