Independent Accountant's Review Report

To the Members of the Board
Kids N Hope Foundation, Inc.
Philadelphia, Pennsylvania

We have reviewed the accompanying financial statement of Kids N Hope Foundation, Inc. (the Organization), which comprises the statement of revenues collected without donor restrictions and expenses paid - cash basis for the years ended December 31, 2020 and 2019, and the related notes to the financial statement. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the cash basis of accounting, as described in Note 2 to the financial statement; this includes determining that the basis of accounting the Organization uses is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statement for it to be in accordance with the cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statement in order for it to be in conformity with the cash basis of accounting as described in Note 2 to the financial statement.

Basis of Accounting

We draw attention to Note 2 of the financial statement, which describes the basis of accounting. The financial statement is prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

Note 1 - Nature of Activity

Kids N Hope Foundation, Inc. (the Organization) is dedicated to seeking individual and corporate bequests, mainly through special events, in order to primarily support donations to hospitals providing specialized care and rehabilitation to children with developmental disabilities and chronic illnesses. The Children's Hospital of Philadelphia is a hospital that has received the majority of our donations.

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Note 2 - Summary of the Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statement follows.

Basis of Accounting

The Organization's accounts are maintained on the cash basis, and the statement of revenues collected without donor restrictions and expenses paid reflects only cash received and cash disbursed. Therefore, receivables, payables, inventories, long-lived assets, accrued income and expenses, and amortization and depreciation, which would be recognized under accounting principles generally accepted in the United States of America and which may be material in amount, are not recognized in the accompanying financial statement.

Cash

Cash consists of cash held in checking and savings accounts reduced by checks issued that have not cleared as of December 31. Management believes the Organization is not exposed to any significant credit risk on cash.

Note 3 - Income Taxes

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization, including whether the entity is exempt from income taxes. Management evaluated the tax positions taken and concluded that the Organization had taken no uncertain tax positions that require recognition or disclosure in the financial statement. Therefore, no provision or liability for income taxes has been included in the financial statement. With few exceptions, the Organization is no longer subject to income tax examinations by the U.S. Federal, state, or local tax authorities for years before December 31, 2017.

Note 4 - Support

The Organization receives contributions from American Heritage Federal Credit Union, its employees, and its directors, in support of its mission. These contributions amounted to approximately \$60,000 and \$22,800 for the years ended December 31, 2020 and 2019, respectively.

Note 5 - Risks and Uncertainties

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. The actions taken to mitigate it have had, and are expected to continue to have, an adverse impact on the economy, financial markets, and the geographical area in which the Organization operates. It is unknown how long these conditions will last and what the complete financial effect will be to the Organization.

Additionally, it is reasonably possible that estimates made in the financial statement have been, or will be, material and adversely impacted in the near term as a result of these conditions.

Note 6 - Subsequent Events

The Organization has evaluated subsequent events through May 13, 2021. This date is the date the financial statement was available to be issued. No material events subsequent to December 31, 2020 were noted.
