The Kids-N-Hope Foundation Raises Over \$26,000 During 3rd Annual *Rhapsody and Rhythm Walk-A-Thon & 5K 2024*

Virtual Event Raises Funds to Support Pediatric Health and Life Services, Including Music Therapy, at Local Hospitals

PHILADELPHIA – April 15, 2024 – The Kids-N-Hope Foundation (“The Foundation”) recently raised over \$26,000 during its virtual Rhapsody and Rhythm Walk-A-Thon & 5K this Spring. The week-long event invited participants to walk their 5K goal at their own pace while fundraising throughout the event to raise funds for the Foundation’s mission to support children’s health and life services throughout the Greater Philadelphia region.

Participants were able to join a team or participate as an individual to fundraise and meet their personal goal and help The Foundation reach its goal for this event. All proceeds will benefit the Kids-N-Hope Foundation, which aims to enhance children’s health and life services through pediatric music therapy and music programs at local hospitals and not-for-profit organizations.

“We’re overjoyed with the success of this year’s Walk-A-Thon & 5K, which raised over \$26,000 as a result of our supporters, sponsors, and donors,” stated Bruce K. Foulke, Founder and Chairman of the Kids-N-Hope Foundation. “We’re proud to celebrate our Foundation through these unique fundraising initiatives and we thank everyone who participated and contributed to this event. We look forward to continuing to fund the amazing work our beneficiaries do for pediatric health and life services.”
